Updates to CASLIS Toronto website – October 18, 2009

**Priority – to be updated ASAP because we're now promoting this event**

**Home:** <http://www.caslistoronto.on.ca/index.html>

→ “Leadership, Skills and Knowledge: How We Can Prepare Ourselves and Our Staff for the Future” link doesn’t lead anywhere. Link it to the program details page for this event.

→ Add the speaker information

→ “Print version” link: update the Word file in the “Print version” to reflect the updated html page (i.e. it still says the October event in the Word file).

**Programs:** [http://www.caslistoronto.on.ca/caslis\\_programs.html](http://www.caslistoronto.on.ca/caslis_programs.html)

→ “Print version” link: update the Word file in the “Print version” to reflect the updated html page (it shows the “Past Programs Archives” in the Word file, not the page of the current programs)
